

8:40 Meeting - Wednesday, 14 November 1973

1. OEL Co-op Program: OEL is doubling from two to four the number of students in their Co-op Program. They may build in

STAT during one work period for each co-op.

2. External Placement: As a result of our earlier presentation to the D. C. Board of Trade, we have just received an invitation from the Director of Personnel for Sears Roebuck in the general Washington-Baltimore area to come in and discuss some of his personnel needs.

3. HMA B Case: The permanent display case of honor, merit and service awards is expected to be completed and will be in place by the end of this week.

4. Career Day: Washington-based recruiter, participated on Tuesday in a Career Day Conference at the College of William and Mary at Williamsburg, Virginia, ~~about~~ with representatives from ^{About} ~~up to~~ 100 other organizations. He gave a series of briefings to interested students concerning employment possibilities with this Agency.
